

Keck School of Medicine of USC

Presents

2021~2022 Department of Family Medicine Grand Rounds - 12/2/2021

Activity Information:

Dates & Times: Thursday, December 2, 2021 at 12:00 PM – Thursday, December 2, 2021 at 1:00 PM

Location: USC Health Sciences Campus

AMA Category 1 Credits: 1.00

Speaker(s):

Seyed Parham Khalili, MD
Clinical Assistant Professor
Keck Medicine of USC

Objectives:

- 1 Appraise medical treatment options for a given condition and formulate optimal treatment plans based on current literature
- 2 Compare available diagnostic modalities for a given clinical presentation and formulate optimal management plans based on the current literature
- 3 Evaluate a unique clinical scenario as outlined in case presentations and propose evidence based evaluation and management options for those cases

Educational Format: Live Activity

Accreditation Statement(s):

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Disclosure:

As an organization accredited by the ACCME The Keck School of Medicine of the University of Southern California requires everyone who is in a position to control the content of an education activity to disclose prior to the activity all relevant financial relationships with any commercial interest. All disclosed relevant financial relationships will have been resolved prior to the commencement of the activity.

Name of individual	Individual's role in activity	Name of commercial interest/Nature of relationship
