

Keck School of Medicine of USC

Presents

2021~2022 Family Medicine Faculty Professional Development Series

Activity Information:

Dates & Times: Wednesday, December 8, 2021 at 12:15 PM – Wednesday, December 8, 2021 at 1:00 PM

AMA Category 1 Credits: 0.75

Topic: Building a CV for Rank Advancement / Writing a Candidate Statement

Speaker(s): Duke S Han, PhD, ABPP-CN, Director, Neuropsychology Division, KSOM-Keck School of Medicine

Objectives:

- 1 Differentiate between teaching strategies which are optimal for different settings and learners
- 2 Develop scholarships that contribute to better patient outcomes
- 3 Appraise own leadership strengths and challenges and choose strategies to improve performance as an academic medical leader

Educational Format: Live Activity

Accreditation Statement(s):

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Disclosure:

As an organization accredited by the ACCME The Keck School of Medicine of the University of Southern California requires everyone who is in a position to control the content of an education activity to disclose prior to the activity all relevant financial relationships with any commercial interest. All disclosed relevant financial relationships will have been resolved prior to the commencement of the activity.
