

Keck School of Medicine of USC

Presents

2021~2022 Pain Medicine Webinar-6/28/22

Activity Information:

Dates & Times: Tuesday, June 28, 2022 at 4:00 PM – Tuesday, June 28, 2022 at 5:00 PM

Location: LAC+USC Medical Center

AMA Category 1 Credits: 1.00

Speaker(s):

Faye Weinstein, PhD

Associate Professor

Keck School of Medicine of USC

Objectives:

- 1 Justify that given the multidimensional nature of pain, it is critically important that pain be assessed comprehensively
- 2 Discuss the fundamental concepts of pain, including the science, nomenclature, and experience of pain, and of pain's impact on the individual and society
- 3 Outline an interdisciplinary approach for pain management

Educational Format: Live Activity

Accreditation Statement(s):

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Disclosure:

As an organization accredited by the ACCME The Keck School of Medicine of the University of Southern California requires everyone who is in a position to control the content of an education activity to disclose prior to the activity all relevant financial relationships with any commercial interest. All disclosed relevant financial relationships will have been resolved prior to the commencement of the activity.
