## COURSE DESCRIPTION

---

This course is a mixture of interactive microscopy and didactic lectures. Hot topics like practical implications of endometrial carcinoma molecular classification, updates on ovarian carcinoma subclassification, and challenging topics like mucinous ovarian neoplasms will be covered. Interactive microscopy sessions include commonly seen lesions as well as more esoteric entities including mesenchymal tumors of the gyn tract. The program syllabus is provided to the audience before the conference and recordings of the sessions are available for attendees after the conference. The course features didactic lectures, with opportunities for questions and discussion, and presentations of illustrative and challenging cases.

---

## COURSE OBJECTIVES

---

By the end of the course, participants will be able to:

- Demonstrate the correct diagnosis and the reasoning used to arrive at it.
- Assess the need for molecular methods and integrate the result of testing into their diagnoses.
- Outline learner strategy for difficult cases.

---

## TARGET AUDIENCE

---

This course is intended for practicing pathologists (attendings) or fellows, especially those with a subspecialty interest in gynecologic pathology.

---

## ACCREDITATION STATEMENT

---

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

---

## CREDIT DESIGNATION

---

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply *AMA PRA Category 1 Credit(s)™* for license renewal: Registered Nurses may report up to 7 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.

Physician Assistants: The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credits™* accredited courses are acceptable CME requirements for recertification.
