COURSE DESCRIPTION

This pulmonary symposium is designed to provide healthcare professionals with the latest advancements in diagnosing, staging, and managing pulmonary diseases, with a particular focus on lung cancer and end-stage lung disease. Through a series of expert-led presentations, case studies, and interactive discussions, participants will gain comprehensive insights into various techniques, approaches, and updates in the field. Through this symposium, participants will enhance their clinical knowledge, refine diagnostic and therapeutic skills, and gain practical insights to optimize patient care in the dynamic field of pulmonary medicine.

COURSE OBJECTIVES

By the end of the course, participants will be able to:

- Explain different techniques and approaches to diagnose, stage and manage lung cancer patients.
- Describe updates on new diagnostic and treatment approaches to complex pulmonary disease states.
- Apply various management approaches and treatments to patients with endstage lung disease.

TARGET AUDIENCE

This course is intended for academic and private practice primary care physicians, specialists, and subspecialists of all disciplines, as well as other allied health care professionals, seeking to enhance their understanding of complex pulmonary disease, and lung cancer diagnosis and treatment options in order to select the optimal management for their patients.

ACCREDITATION STATEMENT

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 8 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply *AMA PRA Category 1 Credit(s)™* for license renewal: Registered Nurses may report up to 8 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.

Physician Assistants: The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credits™* accredited courses are acceptable CME requirements for recertification.
