COURSE DESCRIPTION

Max R. Gaspar, MD, was an attending surgeon at the Los Angeles County Hospital for over fifty years, and served as a Senior Vascular Attending at LAC+USC for twenty-five years. His teaching and scholarly accomplishments have had a lasting impact on vascular surgery in Southern California. This annual symposium addresses topics of interest to physicians and surgeons who care for the patient with vascular disease. The topic of the 2022 Max R. Gaspar, MD Symposium is "Answers to Difficult Clinical Questions in Vascular Surgery."

A distinguished faculty is assembled for the symposium, designed to update the attendee on innovation and new strategies. Sixteen didactic and video lectures will be given to encompass the topics.

This hybrid conference puts aside designated time for question and answer sessions following each presentation. Attendees can submit questions that program faculty presenters may review and share their response. This year we are delighted to have Dr. William Shutze, as our visiting Gaspar Professor. Dr. Shutze will give his symposium address, followed by his Gaspar lecture the following day at the USC Health Sciences Campus.

EDUCATIONAL OBJECTIVES

By the end of the course, participants will be able to:

- Demonstrate competency in understanding the difficult clinical questions addressed.
- Outline current treatment and diagnostic strategies to solve difficult clinical questions.
- Assess expected outcomes of surgical and medical management of discussed vascular pathologies.

TARGET AUDIENCE

This course is intended for all levels of healthcare professionals with interest in the care of the vascular patient. Audience includes practicing physicians, surgical trainees, medical students, nurses, physicians' assistants and other allied healthcare providers.

ACCREDITATION STATEMENT

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply *AMA PRA Category 1 Credit(s)™* for license renewal: Registered Nurses may report up to 6.5 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number. Physician's Assistants: The National Commission on Certification of Physicians' Assistants states that *AMA PRA Category 1 Credits™* accredited courses are acceptable CME requirements for recertification.

Self-Assessment CME Credit, Part 2 of the American Board of Surgery (ABS) Maintenance of Certification (MOC) Program: This activity has also been designated as Self-Assessment CME credit, applicable to Part 2 of the ABS MOC Program. For additional information on the ABS MOC program and its requirements, visit the ABS website: www.absurgery.org.

COVID-19 GUIDELINES

COVID-19 guidelines issued by the Centers for Disease Control, Los Angeles County and the University of Southern California will be strictly observed. If live attendance is discouraged as conference date approaches, the conference will be fully virtual.
