Live Conference
7:15 am - 3:45 pm

Advancing Knowledge in Multidisciplinary Lung Cancer Care

**Keck School of
Medicine of USC**

**USC Norris Comprehensive
Cancer Center**
Keck Medicine of **USC**

***Presented By:**
USC Multidisciplinary Lung Cancer Program
and USC Office of Continuing Medical Education*

PROGRAM AGENDA

7:15 am **Registration Opens and Continental Breakfast**

7:50 am **Opening Remarks**

Anthony W. Kim, MD, MS

Part I: Early-Stage Lung Cancer Diagnosis and Therapy

Moderator: Anthony W. Kim, MD, MS

8:00 am **Advances in Minimally Invasive Surgery**

Scott M. Atay, MD

8:25 am **The Current State of Interventional Pulmonology**

Ramyar Mahdavi, MD

8:50 am **Updates on Stereotactic Ablative Radiotherapy (SABR) for Localized Lung Cancers**

Diane Ling, MD

9:15 am **Updates in Pathology Classification and Testing Recommendations**

W. Dean Wallace, MD

9:40 am **Panel Discussion**

10:00 am **Break**

Part II: Locoregionally Advanced Lung Cancer Diagnosis and Therapy

Moderator: Jorge J. Nieva, MD

10:15 am **Modern Neoadjuvant Therapy**

Lyudmila Bazhenova, MD

11:05 am **Surgical Challenges Following Immunotherapy and Targeted Therapies**

Takashi Harano, MD

11:30 am **Where Does Radiation Therapy Fit in the Ever-Evolving Locally Advanced Lung Cancer Management?**

Jason C. Ye, MD

11:55 am **Panel Discussion**

12:15 pm **Lunch**

Part III: Palliative Considerations in Lung Cancer

Moderator: Jason C. Ye, MD

1:15 pm **Consolidation Therapy or Palliation Therapy: The Radiation Oncologist's Conundrum**

Puneeth Iyengar, MD, PhD

2:05 pm **The Ethics Supporting Salvage Resections**

Sean C. Wightman, MD

2:30 pm **Long-Term Survival in Stage IV NSCLC: Immunotherapy, Targeted Therapy, and Shifting Paradigms for End-of-Life Care Counseling**

Jafar Al-Mondhiry, MD

2:55 pm **Palliative Pulmonary Airway Interventions**

Diana H. Yu, MD

3:20 pm **Panel Discussion**

3:40 pm **Closing Remarks**

Anthony W. Kim, MD, MS and Jorge J. Nieva, MD

3:45 pm **Adjourn**

FACULTY

COURSE DIRECTORS

Keck School of Medicine of USC

Anthony W. Kim, MD, MS, FACS, FCCP

Jeffrey P. Smith Endowed Chair in Surgery
Co-Director, Thoracic Oncology Program
Professor of Clinical Surgery
Chief, Division of Thoracic Surgery
Department of Surgery

Jorge J. Nieva, MD

Co-Director, Thoracic Oncology Program
Section Head, Solid Tumors
Associate Professor of Clinical Medicine
Division of Medical Oncology
Department of Medicine

Jason C. Ye, MD

Assistant Professor of Clinical Radiation Oncology
Department of Radiation Oncology

GUEST SPEAKERS

Lyudmila Bazhenova, MD

Professor of Medicine
UC San Diego
UCSD Moores Cancer Center
San Diego, CA

Puneeth Iyengar, MD, PhD

Associate Professor
Thoracic Radiation Oncology Service Chief
Medical Director
Department of Radiation Oncology
Thoracic Oncology Co-Leader
Harold Simmons Comprehensive Cancer Center
Secondary Appointment in the
Center for Human Nutrition
UT Southwestern Medical Center
Dallas, TX

KECK SCHOOL OF MEDICINE

Faculty

Jafar Al-Mondhiry, MD

Assistant Professor of Clinical Medicine
Department of Medicine

Scott M. Atay, MD

Assistant Professor of Clinical Surgery
Division of Thoracic Surgery
Department of Surgery

Takashi Harano, MD

Assistant Professor of Clinical Surgery
Division of Thoracic Surgery
Department of Surgery

Diane Ling, MD

Assistant Professor of Clinical
Radiation Oncology
Department of Radiation Oncology

Ramyar Mahdavi, MD

Associate Professor of Clinical Medicine
Director, Interventional Pulmonary
Program Director, IP Fellowship
Division of Pulmonary, Critical Care
and Sleep Medicine

W. Dean Wallace, MD

Professor of Clinical Pathology
Department of Pathology

Sean C. Wightman, MD, FACS

Assistant Professor of Clinical Surgery
Division of Thoracic Surgery
Department of Surgery

Diana H. Yu, MD

Assistant Professor of Clinical Medicine
Director, Interventional Pulmonology
Research Division of Pulmonary, Critical Care
and Sleep Medicine
Department of Medicine

COURSE DESCRIPTION

Advancing Knowledge in Multidisciplinary Lung Cancer Care is intended to provide a diverse and comprehensive overview of the rapidly evolving field of lung cancer. Faculty members from different specialties will provide the latest recommendations and best practices based on newly emerging data and trials. Keck faculty and prominent guest speakers will provide specific insights into the most current management of ground glass opacities, as well as how to maintain best practices within the context of international guidelines for lung cancer care.

COURSE OBJECTIVES

By the end of the course, participants will be able to:

- Describe the role of a multidisciplinary team in the preparation and management of lung cancer patients undergoing different modalities of therapy.
- Review different techniques and approaches to diagnose, stage and manage lung cancer patients.
- State the roles and indications of local therapy (surgery, radiation, tumor ablation, bronchoscopy) for locally advanced and metastatic lung cancers.
- Describe the advances in systemic therapies for various stages and types of lung cancer.
- Identify patients who should be referred for complex lung cancer treatment.
- Explain how advances in cancer treatment has impacted the long-term outlook for patients and the ethical implications this has on our prior treatment paradigms.

TARGET AUDIENCE

This course is intended for academic and private practice primary care physicians, specialists, and subspecialists of all disciplines, as well as other allied health care professionals, seeking to enhance their understanding of lung cancer treatment options in order to select the optimal management for their patients.

ACCREDITATION STATEMENT

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply *AMA PRA Category 1 Credit(s)™* for license renewal: Registered Nurses may report up to 6.75 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number. Physician's Assistants: The National Commission on Certification of Physicians' Assistants states that *AMA PRA Category 1 Credits™* accredited courses are acceptable CME requirements for recertification.

COVID-19 GUIDELINES

COVID-19 guidelines issued by the Centers for Disease Control, Los Angeles County and the University of Southern California will be strictly observed. If live attendance is discouraged as conference date approaches, registrants will have the option of participating virtually or requesting a full refund. Proof of vaccination or negative test results 72 hours prior to live attendance will be required.

REGISTRATION FORM

Advancing Knowledge in Multidisciplinary Lung Cancer Care

Live Conference - May 20, 2022

Early-Bird Registration: Closes May 18, 2022 at 12:00 pm PDT.

Tuition:

Live Attendance

☐ \$150 MD, DO

☐ \$100 NP/PA/RN/AH

On-Site Registration: May 20, 2022 at 7:15 am

\$175 MD, DO

\$125 NP/PA/APP/RN/AH

Cancellation:

Cancellations must be received by the USC Office of CME (fax or email) by May 18, 12:00 pm PDT for a refund. A \$50 cancellation fee will be applied. In the event of course cancellation by conference organizers, all registration fees will be fully refunded. USC will not refund any travel costs incurred.

Location:

JW Marriott, Anaheim Resort, 1775 South Clementine Street
Anaheim, California 92802
(714) 294-7800

Hotel:

Rate: \$249, May 19-20, 2022.

Make reservation before April 28, 2022 to secure rate: call 1-888-236-2427
or online at <https://book.passkey.com/go/USCLungCancerSS>

Parking:

\$30, Valet
