8TH ANNUAL USC MULTI-DISCIPLINARY BREAST CANCER SYMPOSIUM

PRESENTED BY:
USC OFFICE OF CONTINUING
MEDICAL EDUCATION

Keck School of Medicine of USC

Saturday, January 23, 2021 7:30 am – 3:00 pm PST

Virtual Conference

COURSE DESCRIPTION

This program will review the current state-of-the-art for breast cancer management, highlighting the key components of multi-disciplinary treatment to include genetics, diagnostic imaging, pathology, surgical oncology, medical oncology, and radiation oncology. The format of this program will consist of lectures by international experts in their fields.

The management of genetic risk will be presented as the importance of pathogenic mutations and variants of uncertain significance have become more integral in treatment decisions. The use of MRI as a diagnostic tool for patients having neoadjuvant chemotherapy will be reinforced using data from USC. Recent advances in oncoplastic surgery will be presented by one of the surgeons who developed the field. The topic in radiation oncology will be advances in partial breast and accelerated radiation techniques.

The understanding of the HER2 receptor continues to evolve, and the biology of the HER2 axis will be presented by one of the pioneers in our understanding of this phenomenon. Key talks in medical oncology will focus on HER2+ breast cancer therapeutics in the metastatic setting, the emergence of resistance to antiestrogen therapy, and the evolution of immunotherapy as a central theme in the treatment of triple-negative breast cancer.

EDUCATIONAL OBJECTIVES

By the end of the course, participants will be able to:

- Assess the evolution of recent concepts of genetic risk for breast cancer.
- Outline the role of diagnostic MRI in neoadjuvant treatment.
- Evaluate patients as candidates for oncoplastic surgical procedures.
- Outline the biology of the HER2 axis and its role in treating metastatic cancer.
- Describe the role of CDK inhibitors in treating ER+ cancers.
- Review newer concepts in treatment of triple negative breast cancers, including immunotherapy.
- Describe the evolving role of radiation therapy to the breast and axilla, such as changes in dose/fractionation and technique.

TARGET AUDIENCE

This program has been designed for practicing primary care physicians, medical oncologists, radiation oncologists, surgical oncologists, radiologists, residents and fellows in oncology training programs, as well as allied health providers including oncology nurses, mid-level providers (APN and PA), radiation therapists (RTT), and any other clinicians interested or involved in the management and treatment of breast cancer.

COURSE INFORMATION

REGISTER:

Online: Register at keckusc.cloud-cme.com

Mail: 1540 Alcazar Street, CHP 223, Los Angeles, CA 90033

Mail-in registration must be postmarked by January 15, 2021.

Phone: 1 (323) 442-2555

Fax: 1 (888) 665-8650 Email: usccme@usc.edu

LOCATION:

Virtual Conference, 7:30 am - 3:00 pm PST

CANCELLATION POLICY:

Cancellations must be received by the USC Office of CME (fax or email) by January 19, 2021, 12:00 pm PST, for a refund. In support of health care professionals' need for flexibility during COVID-19, cancellation fees are waived for a full refund. In the event of course cancellation by conference organizers, all registration fees will be fully refunded.

Registration available the morning of the conference only until 9:00 am PST.

Register online at keckusc.cloud-cme.com.

Payment will be accepted by credit card only for registration on January 23, 2021.

Registration confirmation will be emailed.

7:30 am Conference Login Begins

7:50 am Welcome

Stephen F. Sener, MD, Janice Lu, MD, PhD, Jason C. Ye, MD

Morning Session

Moderator: Janice Lu, MD, PhD

8:00 am New Glimmers of Hope in the Management of Triple

Negative Breast Cancer

Sara A. Hurvitz, MD

8:35 am Management of Hormone Receptor Positive,

HER2 Negative Breast Cancer

George W. Sledge, Jr., MD

9:10 am Panel Discussion 9:25 am Morning Break

9:40 am Challenges in HER2 Testing

Michael F. Press, MD, PhD

10:20 am Metastatic HER2 Trials

William J. Gradishar, MD

10:50 am Panel Discussion

11:05 am **Lunch**

Afternoon Session

Moderator: Jason C. Ye, MD

11:45 am USC Experience with MRI Newly Diagnosed

Breast Cancers and After Neoadjuvant Chemotherapy

Stephen F. Sener, MD

12:20 pm Recent Advances in Oncoplastic Surgery

Melvin J. Silverstein, MD

12:55 pm Panel Discussion 1:10 pm Afternoon Break

1:25 pm Radiation Techniques in Breast and Lymph Nodes

Julia White, MD

2:00 pm Management of Genetic Risk

Banu Arun, MD

2:35 pm Panel Discussion 2:50 pm Closing Remarks

3:00 pm Adjourn

FACULTY

Program Organizing Committee

Eric L. Chang, MD, FASTRO

Professor, Chair, Course Director Department of Radiation Oncology Keck School of Medicine of USC

Janice Lu, MD, PhD

Clinical Professor of Medicine Medical Director, Breast Cancer Program Keck School of Medicine of USC

Stephen F. Sener, MD

Professor of Surgery
Director of the Breast Fellowship in the
Section of Breast and Soft Tissue Surgery
Keck School of Medicine of USC

Jason C. Ye, MD

Cancer Center
Columbus, OH

ACCREDITATION STATEMENT

The Keck School of Medicine of USC is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Keck School of Medicine of USC designates this live activity for a maximum of 6.5 AMA PRA Category 1 CreditsTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply AMA PRA Category 1 Credit(s)TM for license renewal: Registered Nurses may report up to 6.5 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number. Physician's Assistants: The National Commission on Certification of Physicians' Assistants states that AMA PRA Category 1 CreditsTM accredited courses are acceptable CME requirements for recertification.

REGISTRATION FORM 8TH ANNUAL USC MULTI-DISCIPLINARY BREAST CANCER SYMPOSIUM

Virtual Conference

Saturday, January 23, 2021

Registration closes January 23, 2021 at 9:00 am PST.
□ \$100 for MDs
□ \$75 for NP/PA/RN/Allied Health Professionals
☐ Students/Residents/Fellows are complimentary (Letter needed from program director for students/residents/fellows
